RESPONSE TO NOTIFICATION OF INSUFFICIENT FEES

Sir:

A Notification of Insufficient Fees as attached was mailed to us for the reason that an additional fee of \$10 is required for the above identified application. In reviewing our record, we have paid \$490 including Basic National Fee \$150, Examination Fee \$100, Search Fee \$200 and Assignment Recordation Fee \$40 for a small entity as shown in the attached Fee Calculation Sheet by submitting a Credit Card Payment Form PTO-2038 on 2/4/05. We believe that the submitted filing fee is sufficient to cover the application fees based on the calculation. Our credit card statement also indicates that the fee \$490 has been charged to the credit card on 2/14/05.

In reviewing the Notification, we can not understand why the fee is insufficient. "The statement that a previous payment of \$90 will be applied to the additional fees" in the Notification is also very confusing to us because we have no idea what the payment \$90 is referred to. Attached please find:

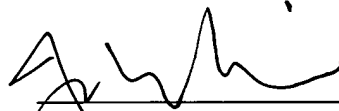

1. A copy of the Notification of Insufficient Fees;
2. A copy of the Fee Calculation Sheet filed with the application;
3. A copy of the Credit Card Payment form of \$490 filed with the application;
4. A copy of the credit card statement indicating that \$490 has been charged for the application; and
5. A new Credit Card Payment Form PTO-2038 for \$10.

Your assistance in clarifying this matter is greatly appreciated. **We believe there are no insufficient fees.** However, to avoid any further delay, we also include a new Credit Card Payment Form for the additional fee \$10 in case your investigation does show that an additional fee is required.
